

Important Reading Resources

I would strongly encourage you to actively search and find related and important papers that interest you most, in addition to those important papers in the reading list. As your time is limited, I would require everyone to read high quality papers **only**. The high quality papers **must meet the following criteria** (when you search at www.scholar.google.com or www.ssrn.com):

First, recent years' articles **published and forthcoming** in top journals:

- Finance:
 - *Journal of Finance*
 - *Journal of Financial Economics*
 - *Review of Financial Studies*
 - *Journal of Financial and Quantitative Analysis*
 - *Review of Finance*
 - *Journal of Financial Markets*
 - *Journal of Banking and Finance*
- Accounting:
 - *Journal of Accounting Research*
 - *Journal of Accounting Review*
 - *Journal of Accounting and Economics*
 - *Review of Accounting Studies*
- Economics:
 - *American Economic Review*
 - *Journal of Political Economy*
 - *Quarterly Journal of Economics*
 - *Review of Economic Studies*
 - *Journal of Economic Literature*
 - *Econometrica*

Second, new enlightening working papers from the following **top conferences**:
